The background of the image is a network diagram. It consists of numerous nodes, represented by small circles in various shades of gray, black, and white. These nodes are interconnected by a web of thin, light gray lines, creating a complex, interconnected pattern that fills the entire frame. The nodes are distributed across the image, with some having more connections than others, suggesting a dynamic or evolving network structure.

PLATONIC TALK

Urban Identity

If you could be any city in the world, real or imaginary, which one would you be and why?

Answer yourself, then invite your teammate to answer too.

Island Luxuries

Name three items you would take with you if you were stranded on a deserted island (excluding survival items).

Do it yourself, then invite your teammate to do the same.

Odd Treasures

Do you collect anything unique or interesting? If so, share what it is, or feel free to come up with an idea.

Answer yourself, then invite your teammate to answer too.

Smells Like a Great Moment

What smell brings back great memories for you, and what's the story behind those memories?

Answer yourself, then invite your teammate to answer too.

Animated Adventure

If you could swap lives with a cartoon character for a day, who would you choose and why?

Answer yourself, then invite your teammate to answer too.

PLATONIC ACTION

Pass the Gesture

Make a small gesture. Let your teammate copy it and add a new one. Take turns, adding one gesture each time and building a chain together.

Optional: invite 1-2 more players to join you.

2 - 4

Purr Purr

Ask your teammate to give you a kneading-style cat massage on your back or thighs.

Kneading is how cats press their paws alternately into something soft.

Boom Box Buddies

Place your hands on each other's chest. Inhale together, then exhale with a deep, long sound.

Feel and listen to the vibration in each other's chest.

Repeat three times.

Hair Care Circle

Ask your teammate to sit down and close their eyes. Gently stroke their hair, massage their head, and if it feels right for both of you — add soft scratches or a light hair pull.

Optional: invite 1 more player to join you and play with both simultaneously.

Movie Magic

Imagine that you are in a movie scene and act out a slow-motion fight without touching each other.

**SENSUAL
TALK**

Sensory Pleasures

Which sensory experience do you find most intimate or sexual: sight, touch, taste, smell, or sound? Why?

Answer yourself, then invite your teammate to answer too.

● SENSUAL TALK ●

Lights, Camera, Action

What is the hottest,
sexiest scene you have
ever seen in a movie?

*Answer yourself, then invite your
teammate to answer too.*

Maybe One Day

Share a fantasy you have always wanted to fulfill and what has kept you from exploring it. How could you safely explore this fantasy?

Answer yourself, then invite your teammate to answer too.

Dream Team

Out of everyone you know,
who would you like to
have a threesome with?
What about celebrities?

*Answer yourself, then invite your
teammate to answer too.*

Magic Touch

Describe the most pleasurable sensual touch for you to receive. Where on your body, and how should it be done?

Answer yourself, then invite your teammate to answer too.

**SENSUAL
ACTION**

Trace and Kiss

Your teammate slowly traces a line on their body with their finger.

Each time they pause, give them a gentle kiss on that spot — or ask for a different one, if needed.

Arctic Affection

Give your teammate an “Eskimo kiss” by gently stroking their face with your nose.

Take It Off of Me

Choose one or two pieces of your clothing and ask your teammate to gently and slowly remove them from you.

Optional: you can put on additional clothing before the exercise.

● SENSUAL ACTION ●

Near Yet Far

Come as close as you can to the face and neck of your teammate, teasing them by being near without actually touching them.

2

● SENSUAL ACTION ●

Touch and Guess

Invite 1-3 more players to join you.

Blindfold yourself and touch each player as they approach one by one to guess who each person is.

3 - 5

That was just the beginning.

If ConSense sparked something in you — curiosity, laughter, ideas — we'd love for you to be part of what's next.
